When performance counts, Team Losi's Stock and Modified Off-Road, On-Road and Monster Truck Revolution racing motors deliver! Constantly tested and manufactured with the highest quality materials and workmanship, these are motors you can rely on.

The JRX-T has won more races while being driven by more different drivers than any other Monster Truck ever made! By utilizing race proven JRX-2 technology, this truck has been engineered and built to be a relentless winner "right out of the box". Why the JRX-T swept the 1990 R.O.A.R. Nationals, and take your best shot at the winners circle!
